IMPORTANT: USE EXISTING HARDWARE TO REINSTALL THE REAR FENDER, TAIL LIGHT, AND REFLECTOR (AS SHOWN). ADJUST THE REAR FENDER AS NEEDED.

Notes to Mechanic: See instructions. Install the Benno Boost Utility Rear Rack only on compatible Benno Boost models. Use only the original (included) hardware and pre-drilled holes and fittings. Do not mount the rack to damaged bikes. Do not modify the rack or bike, change its position, or drill new holes, as this will void any warranties and/or claims for liability. **Note to Owner:** Periodically check to make sure all nuts and bolts remain tight as vibrations may loosen them. Ensure the rear wheel is covered by Benno wheel guards or Utility Pannier Bags, and all required passenger accessories remain installed while carrying passengers.
